

CLT Plans to Begin Roadway Repair Work on Josh Birmingham Parkway Bridge

October 14, 2016 - Charlotte Douglas International Airport will close the right lane of the Josh Birmingham Parkway bridge for a quarter mile past Harlee Avenue Monday, October 24 – Monday, November 7 to complete roadway repairs. Drivers using Josh Birmingham Parkway to access the terminal should be prepared to merge from two lanes to one lane. As a result, visitors to the Airport may experience delays during this two-week project. Please drive slow, follow the signs and allow extra time to your drive time.

See the attached map for more information.
