## Final Media Advisory #7: 11:30AM

- The Airport remains open and operational. Staff is working with our partners to assist customers.
- Many airline flight schedules have returned to normal at Charlotte Douglas International Airport. Some cancellations, however, are reported for today.
- Due to continued weather conditions related to this winter storm in other parts of the country, customers are advised to continue to check with their airline in regard to the status of their flight before leaving for the Airport.
- CLT's three parallel runways are open. Runway 5/23 was closed Friday for de-icing operations.
- De-icing of aircraft is underway. CLT has de-iced 12 aircraft as of 10:30 a.m. today. More than 100 planes were de-iced Saturday. Approximately 70 planes were de-iced Friday.
- Airport maintenance crews continue working to clear the airfield of snow and ice.
- Charlotte Douglas remains under its irregular operations plan to respond to any stranded passenger and/or terminal impacts. CLT accommodated more than 1,000 passengers in the terminal overnight. Cots, blankets and pillows were distributed.
- This advisory concludes media updates on this weather event.
