

CLT Airport Stakeholder Meeting for FFYs 2018-2020 ACDBE Goal

September 6, 2017 - Every three years, recipients of Federal Aviation Administration (FAA) funds must prepare two, overall goals for Airport Concession Disadvantaged Business Enterprise (ACDBE) participation in (1) concessions other than car rental concessions; and (2) car rental concessions. The goals represent the overall percentage of ACDBE participation an agency anticipates achieving during a three-year period.

Before CLT submits its proposed ACDBE goals for FFYs 2018-2020 to FAA for review, we invite you to participate in a stakeholder consultation meeting to obtain your input on the goals and to share information that may affect the proposed goals. The meeting will also provide an opportunity to learn about upcoming concessions opportunities at CLT. We are inviting the public at large, including ACDBEs, minority-owned businesses, woman-owned businesses, community groups and others to join us for this important meeting. The meeting will be held:

Wednesday, September 13, 2017
5:00 p.m. – 7:00 p.m. (EST)
CLT Center: Eagle Conference Room
Charlotte Douglas International Airport
5601 Wilkinson Blvd
