Parking in High Demand

Parking will be in high demand Tuesday, November 21 – Sunday, November 26 and available on a first come, first served basis. CLT has added more than 1,700 parking spaces to Long Term Lot 2 this year. Long Term parking typically reaches capacity first. Be sure to visit parking.charlotteairport.com to view CLT's real-time parking map or call 704.359.5555 to hear the latest parking conditions.

Drivers are encouraged to use the Hourly Deck for picking up and dropping off passengers. It's steps from the terminal, and the first hour is free.

CLT Relocates Cell Phone Lot

CLT's newly relocated Cell Phone Lot is another option for picking up family and friends. Drivers may enter the lot directly off Josh Birmingham Parkway. The 150-space lot has one center aisle, making it easy to enter and exit. The new location is adjacent to Long Term Lot 1 and allows drivers direct access to the terminal via Josh Birmingham Parkway.

Rental Car Road Closure

CLT visitors also should note Rental Car Road is now permanently closed to the public. Access will be given only to authorized vehicles. Anyone headed to the terminal must use Josh Birmingham Parkway. [View the map for more details.](#)

Terminal Renovations

Inside the Airport, terminal renovations are underway on Concourses A, B and C. During renovations, Airport operations will not be interrupted. Passengers, however, will see open ceilings and bare concrete flooring in some areas.

Security Checkpoints

Security checkpoints will open Tuesday, November 21-Wednesday, November 22 and Saturday, November 25 - Monday, November 26 as follows: Checkpoints A & B – 3:30 a.m.; Checkpoint C – 5:15 a.m.; Checkpoint D – 5 a.m. and Checkpoint E - 6:15 a.m.

Checkpoint assistance agents will be stationed at the entrance of each checkpoint to help expedite the screening process.

CLT Passenger Amenities

CLT continues to offer free WiFi throughout the terminal. Select the network "CLT Free WiFi" to be connected. For mothers flying with infants, the Mother's Room provides a dedicated area for mothers who wish for more privacy to nurse their baby or pump breast milk away from the intrusion of the public. It is located on the upper level of the Atrium.

To accommodate the high passenger volumes this Thanksgiving, CLT plans to:

- Add more personnel to Airport shuttle bus and parking operations.
- Increase Airport staff in Ticketing.
- Station additional traffic officers on the upper and lower levels of Ticketing and Baggage Claim.

Passengers may plan their trip to the Airport by:

- Arriving to the Airport early.
- Visiting parking.charlotteairport.com and viewing CLT's real-time parking map.
- Calling 704.359.5555 to hear the latest parking conditions.
- Slowing down and adhering to the signs when approaching the terminal.
- Paying attention to and following CLT's dynamic roadway signs strategically located around Charlotte Douglas for information on which lots are open or closed.
- Using the Pay&Go stations when leaving the terminal for a quicker exit. Four Pay&Go stations are located in the Hourly Deck and at the Daily Deck's shuttle bus stop. Remember to keep your ticket with you. Upon your return trip home, place your parking ticket in a Pay&Go station and pay by credit card. A validated ticket will be returned. Drivers may then proceed to any lane in the designated lots and insert their validated ticket in the machine to exit.

Travelers should also consider other travel options for arriving at the Airport, including:

- Carpooling
- Catching a ride to the terminal
- Taking a taxi, ride share or other form of transportation
