Reminder About Curbside

- Curbside is for immediate loading and unloading of passengers. Curbside parking is not allowed, regardless of whether the vehicle is attended or not. Please remember vehicles left unattended may be towed, while vehicles parked and waiting may be subject to citations. This includes all lanes on the Departures/Ticketing and Arrivals/Baggage Claim levels.

Take Advantage of CLT's Amenities

- Passengers are encouraged to take advantage of CLT's various amenities. The Airport has more than 100

concessions spread throughout its five concourses. Service Animal/Pet Relief Areas are located on the A/B Connector and Concourse D. CLT also offers free WiFi. Select the network "CLT Free WiFi" to be connected. For traveling moms, a Mother's Room is located on the upper level of the Atrium and provides a dedicated area for mothers who wish for more privacy to nurse their baby or pump breast milk away from the intrusion of the public.

- Among the newest amenities is [Minute Suites](#), which allows travelers to nap, relax, and work while waiting for their flights. Located in the Atrium, the area features six spacious private suites as well as a shower facility. Suites can be reserved online in advance.

To accommodate travel demands, CLT is:

- Using overhead dynamic signage and digital signage to prompt customers to use the Hourly Deck for quick drop off/pickup.
- Stationing traffic officers in front of the terminal and along other roadway locations as needed to assist with traffic flow.
- Positioning additional Aviation Department, TSA and airline staff in the lobby to assist customers.
- Adding more resources to Airport shuttle bus and parking operations.

Passengers may plan their trip to the Airport by:
