

CLT Ranks #2 Favorite Airport in the Nation for Business Travelers

Charlotte Douglas International Airport ranks second highest airport among the nation's business travelers, according to Travelbank. The rankings were compiled by the business travel app and looked at thirty airports. CLT's highlights include the highest score in low parking prices and one of the top scores for on-time arrival performance. TravelBank rankings reveal leisure travelers also find CLT a favorite.

Airports finishing in the top three are: #1 Las Vegas McCarran International Airport, #2 Charlotte Douglas International Airport and #3 Phoenix Sky Harbor International Airport. Check out [TravelBank's](#) study for the full report.
