

Holiday Travel Ushers In Passengers

Dec. 17, 2021 - Passenger traffic is expected to rise over the next two weeks at Charlotte Douglas International Airport as holiday travel gets underway.

More than 1.4 million passengers will fly out of CLT between today (Friday, Dec. 17) and Friday, Jan. 7, 2022. That's near pre-pandemic numbers, which saw 1.6 million departing passengers during that same period. CLT's passenger counts have returned to approximately 85% of 2019 numbers, which was a record-breaking year for the Airport.

Departing Passenger Counts	
2021 Dec. 17, 2021 - Jan. 7, 2022	1.4 million (<i>projected</i>)

2019 Dec. 17, 2019 - Jan. 7, 2020	1.6 million

- Sunday, Dec. 26 to Thursday, Dec. 30
- Sunday, Jan. 2 to Monday, Jan. 3

For comparison, the busiest days in December 2019 welcomed 75,000 to 80,000 departing passengers. In

December 2020, the largest departing holiday customers peaked between 50,000 and 54,000 daily departing CLT customers.

Christmas is the second busiest time of the year for Charlotte Douglas International Airport preceded by Thanksgiving. The two holidays differ, however, because Christmas and New Year's travel is spread over more days.

But like Thanksgiving, flyers should prepare for long lines, allow extra time for TSA check-in and security screening and arrive at the Airport at least two hours before their scheduled departure time for domestic flights and three hours before international travel.

Parking will be in high demand Sunday, Dec. 19 through Monday, Jan. 3, and available on a first-come, first-served basis. For the best rates, book online at parkCLT.com or through CLT's app. All parking reservations must be made 12 hours in advance. Drive-up and valet parking are available. Drivers are encouraged to use the [Hourly Deck](#) for picking up and dropping off passengers. The first hour is free. The [Cell Phone Lot](#) is another option for picking up family and friends.

As a reminder due to ongoing Terminal Lobby Expansion construction, the center door and Doors 1 and 5 on the Ticketing level are open as well as the center door and Door 1 in Baggage Claim. Passengers are asked to pay close attention to signage that will help guide them around construction.
