

Spring Break Brings High Demand for Parking

CLT parking is in high demand this month as spring break begins for local schools, colleges and universities.

Passengers are encouraged to book their parking online. Visit parkCLT.com to complete the quick process that provides a contactless parking experience. Book online early for the best rates. Same-day booking is limited for all products, with a minimum of six hours in advance. Please note if you have a reservation, you will be allowed to enter that lot with your QR code regardless of whether the lot has been designated closed.

The Express Deck, located off Harlee Avenue and Wilkinson Boulevard, is another great option. It is a short trip by shuttle bus to and from the terminal.

For other lots and decks, visit [CLT's real-time parking map](#) or call 704.359.5555 to hear the latest parking conditions.

Check out these additional tips for hassle-free travel.

Arrive Early

TSA and airlines recommend arriving at the Airport at least two hours before domestic travel and three hours before international flights. [TSA 10 Travel Tips for Smooth Screening.](#)

Wear a Face Covering

Safety measures remain in place at Charlotte Douglas. Per a Transportation Security Administration mandate, all passengers and visitors to Airport facilities are required to wear a face mask while here. This includes onboard shuttle buses.

Face masks are available for passengers upon request at the Airport Visitor Info Center on the Baggage Claim level and at all TSA checkpoint podiums. All airlines serving CLT require passengers to wear a face mask to board a flight as well.
